

Name: _____ Date: _____

Dear Family,

This unit will focus on deepening your child's understanding of number relationships, counting, and place value.

The Learning Goals for this unit are to

- Read numbers to 100 in symbols and in words.
- Build numbers to 100 with concrete materials.
- Estimate the number of objects in groups to 100.
- Count forward and backward using different tools, such as objects, a number line, a 100-chart, and coins.
- Show numbers to 100 as tens and ones using a variety of materials.
- Compare and order numbers to 100.

You can help your child achieve these goals by doing the Home Connection activities suggested at the bottom of selected pages.
